

# I'll Do It All for You

The Isley Brothers

Do it all, do it all for you  
Do it all, do it all for you, ooh...

Girl, I know that feelin's comin' on  
I'm gonna need your love (ooh...)  
Let's bolt the door, undress, unplug the phone  
And you'll never get enough

I'll do it all for you, hey baby  
Whatever you want me to, uh-huh  
I'll do it all for you  
'Cause I'm crazy for your love

Do it all, do it all for you  
Do it all, do it all for you, ooh...

Girl, you know what's always on my mind  
I know you think about it too (ooh...)  
And every time I think I've done it all  
Baby, there's always something new

I'll do it all for you (hey-hey baby)  
Whatever you want me to, uh-huh  
I'll do it all for you (hey-hey baby)  
'Cause I'm crazy for your love

Do it all (I'll do it all), do it all for you (it's all for you, baby)  
Do it all (I'll do it all), do it all for you  
(Everything you want from me, baby) ooh...

Touch me and I'll feel it deep inside  
I'm gonna make my move (ooh...)  
And baby, I can see it in your eyes  
You want to feel it too

I'll do it all for you (hey-hey baby)  
Whatever you want me to, say it again  
I'll do it all for you (hey-hey baby)  
'Cause I'm crazy for your love  
I'll do it all for you, yeah, yeah (hey-hey baby)  
Whatever you want me to, uh-huh  
I'll do it all for you (hey-hey baby)  
Crazy for your love  
I'll do it all for you, yeah (hey-hey baby)  
Whatever you want me to, uh-huh  
I'll do it all for you (hey-hey baby)  
'Cause I'm crazy for your love

Do it all (I'll do it all), do it all for you (it's all for you, baby)  
Do it all (I'll do it all), do it all for you  
(Everything you want from me...)
