

Move Over and Let Me Dance

The Isley Brothers

Move over and let me dance
Move over and let me dance
Move over and let me dance
Dance, dance, dance, dance, dance, dance, dance

Move over now, oh, let me dance
Come on, baby, I wanna workout like that
Move over now, let me dance, yeah
I wanna show you, show you what it's all about now
You gotta move

Move over and let me dance
Move over and let me dance
Move over and let me dance
Dance, dance, dance, dance, dance, dance, dance

Move over now, and let me dance, come on, girl
Oh baby, come on and turn me on now

Move over and let me dance
Move over and let me dance
Move over and let me dance
Dance, dance, dance, dance, dance, dance, dance

Ooh, move over now, girl, and let me dance, yeah
Come on, baby, I wanna jerk and shout, yeah
Move over and let me dance
Come on, baby, let me show you what it's all about
Come on and move

Move over and let me dance
Move over and let me dance
Move over and let me dance
Move over and let me dance (Move)
Move over and let me dance (You got to move, baby)
Move over and let me dance (You got to move, baby)
Move over and let me dance (Yeah, move)
