

# You Never Know When You're Gonna Fall in Love

The Isley Brothers

I had it all worked out  
I thought I knew just what I want  
But, girl, as it turned out  
I guess I really didn't know at all

I've been playin' life by the ear  
Now the words of love I hear  
Is so very clear

Whenever you are near  
It's like a spell that's taken over me  
What's happenin', my dear?  
It wasn't in my plans to fall in love

But, girl, what can I do?  
You see, I'm so in love with you  
I'm so in love, baby

You never know when  
(You're gonna fall in love)  
Oh, it just seems to happen

You never know when  
(You're gonna fall in love)  
You see, love has no sense of time

You never know when  
You're gonna fall in love  
Love

Since you came around  
There's been a certain change in me  
And in your love I felt  
I slowly found myself turnin' around

How could I let myself go?  
I guess you'll never really know  
Ah, ah, you never, never, never, ever, ever know

You never know when  
(You're gonna fall in love)  
Oh, boy, it just seems to happen

You never know when  
(You're gonna fall in love)  
You see, love has no sense of time

You never know when  
You're gonna fall

Love has no sense of time  
Love has no sense of time

Ooh, hoo, you never know when  
You're gonna fall in love
