

Look Me in the Eye

The J. Geils Band

Well baby, do you think I'd let you hurt me again
Honey, we've been through that before
Baby, do you think I'd let you walk all over me
Then go walking out my door

Well, if you wanna go
Well, honey, just let me know

Look me in the eye
And tell me
If you pass me by, baby, tell me
You gotta look me in the eye and tell me

I look at you and there ain't nothing to say
We tried everything there was to do
It ain't worth my time to go on this way
Though I'm still in love with you

While you laugh and stare
I wonder if you care

Look me in the eye
And tell me
If you pass me by baby, tell me
You gotta look me in the eye and tell me
Tell me

Look me in the eye and tell me
If you pass me by, baby, tell me
Just look me in my eye and tell me

I know there's someone else you been hangin' with
And that's where you spend your time
And it ain't right, honey, to lead me on this way
Making me think you're still mine

Well, tell me it ain't so
Or, honey, let me go

Just look me in my eye and tell me
If you pass me by, baby, tell me
You gotta look me in the eye and tell me

Look me in the eye, baby
Look me in the eye, baby

Don't want a long goodbye
Rather you pass me by
Honey, can't you see
What you're doing to me
Look me in the eye and tell me, baby
Look me in the eye and tell me, baby
I know you can't deny
You've been fooling all this time
Honey, don't play me cheap
Or put my loving in the street
Look me in the eye

I dare you, baby
Look me in the eye
Oh, baby
Well if you wanna go
Honey, just let me know
If you wanna be free
Honey, I'll let you be
Tell me it ain't so
Honey, I'll let you go
...
