

# Tha'ts Why I'm Thinking of You

The J. Geils Band

The sweet nights you spent with me  
Sweet words you said to me  
Sweet way you held me tight  
Girl, I can't go through these nights  
Memories I can't share  
Loneliness that I can't bear  
Since you're gone from my side  
A bad pain I can't hide

That's why I'm thinking of you  
And all the things we used to do  
That's why I'm thinking of you  
That's why I'm still missing you

The night moves on slowly  
Like it's never gonna end  
Feel so lonely  
I lost a lover and a friend  
It was too good to be true  
Honey, having you  
Want to keep you close to me  
Don't want to set you free

That's why I'm thinking of you  
And all the things we used to do  
That's why I'm thinking of you  
That's why I'm still missing you

Early morning finds me  
Wanting you  
I remember things  
We've been through  
Just us two  
Me and you  
Wanting you  
Loving you

Oh, that's why I'm thinking of you  
And all the things we used to do  
That's why I'm thinking of you  
That's why I'm still missing you  
My love
