

# You're The Only One

The J. Geils Band

It's very hard to define it  
Just why I feel this way  
There must be all kinds of reasons  
So many things I could say  
And I know I'm not mistaken  
This is love and that's for sure  
You, you're the only one  
You're the only one  
You, you're the only one  
There are times I remember  
It wasn't so long ago  
I was lonely, sad and confused  
I didn't know where to go  
But baby I want to tell you  
Just how good you make me feel  
You, you're the only one  
You're the only one  
You, you're the only one  
I'd be a fool to deny it  
I want everyone to know  
You, you're the only one  
You're the only one  
You, you're the only one  
Baby, baby
