

## DJ Child Intro

The Jacka

Pace of  
Groundation

We've gotta ask ourselves: why are the feds preparing for a war  
against Americans?

Why have they bought now more than 2 billion bullets?

All of us on this planet are on the brink of a kind of close en  
counter

A big asteroid is hurdling through space, and it's supposed to  
miss us by a cosmic inch; just 17 thousand miles; that's closer  
than some of our weather satellites

Hi, brother

Tell me, what's-what's going on with Oakland California

"Oakland?, oh yeah, they're goin off the rails, everybody out h  
ere is goin. This place is crazy. This place is crazy and this  
entire state is crazy. Thank god we have nice weather though."

2 new videos surface today in the shooting death of a young man  
; New Year's day at a BART station by a BART police officer

New tonight at 8

USPs are using patients for the anti-corporate occupy movement  
2 months after it flared up and spread across America

Officers in riot gear raided a protestor camp in the city of Oa  
kland, dismantling tents and arresting activists

Hol up, hold up, before we get started

Tell me what the fuck happened to the world

Guess who's coming

DJ Young Child, drop that shit
