

## From The Bay

The Jacka

The Bay Area  
Yeah boy that's where I'm from  
I remember '85  
That's when they cracked with cum  
A lot of niggas got gritz  
But most these niggas got stung  
With years under they belt  
Tryin' to feel what they felt  
To be the nigg  
Watch the ice it don't melt  
'86 through '88  
The game got bigger  
We done hit the block  
Squatin' baby ninjas  
On our way to school  
Park my shit around the corner  
So fly, so cool  
Young nigga  
Brooklyn breed MC's  
The Bay breed drug dealers  
You got a youngsta that flows  
I got a young nigga that push coke  
Plus he got hoes  
Stay on the rope  
Can't understand life  
But grab the mic  
And let the track explode

And you know I'm from the Bay  
Muthafuckin' A-R-E-A  
You know what I mean  
No other place I'd rather be  
And you know I don't try to flee  
To another muthafuckin' state  
You know what I mean  
It wasn't thug enough for me

On my way to the port  
To drop my nigga Cormega  
On Too \$hort birthday  
Plus all the Figaz together  
The boys put us on the way  
To hustle up out the weather  
Yuk 85 turned out  
Hit the corner hit  
Then hit me on my burn out  
When you niggas gon' learn 'bout  
The muthafuckin' Bay  
It's superthug where I stay  
Frisco, North Richmond to O-A-K  
Central South Richmond and E-P-A  
Pittsburg got the coke  
For a price you must pay  
Yeah boy, believe what they say  
Ain't nothin' scarier than the Bay  
High speed everyday  
Adolescents tuck weapons

Niggas bleed everyday  
You got to have heart  
Just to fit up where I stay  
And I've been everywhere  
Ain't nothin' thuggin' of me  
Yo, we live this shit  
That you see on T.V. (what)

Fuck 'em, one time  
Like Hittaz On Da Payroll  
Hits on the street  
The radio don't ever play so  
Don't nobody know  
Who the real niggas is  
I dedicate this rap  
To the muthafuckin' Figz  
3 X Krazy, Askari X, The Click,
