

# Goin' Back to Indiana

The Jackson 5

I'm goin' back to Indiana  
Back to where I started from  
Goin' back to Indiana  
Indiana here I come

I spread my wings for greener pastures  
I still ain't found what I was after  
I've got the blues and that is why I sing  
I just wanna do my thing, yeah

I'm goin' back to Indiana  
Indiana, here I come, yeah, yeah  
I'm goin' back to Indiana  
'cause that's where my baby's from  
Yeah, okay Tito you got it

I'm goin' back to Indiana  
Indiana, here I come  
I'm goin' back to Indiana  
'cause that's where my baby's from, yeah

Hollywood you got a lot of pretty things  
I saw a lot of movies stars with diamonds rings  
But I ain't got my baby and I'm feeling wrong  
That's why I got to sing my song

I'm goin' back to Indiana  
Indiana, here I come  
I'm goin' back to Indiana  
'cause that's where my baby's from, yeah

I'm comin', I'm comin', I'm comin'  
I'm home, yeah

Ha ha Sis Boom Bah  
One more time for Roosevelt High  
Johny Ray, Tex, Scooter and Lorenzo too  
Watch T W Brown do the boogaloo  
Ev'ry soul that passes by  
This song is for you from the Jackson 5  
I'm comin home It's plain to see  
I still got Indiana soul in me

I'm goin' back to Indiana  
Indiana, here I come  
I'm goin' back to Indiana  
'Cause that's where my baby's from, yeah  
That's where she is, yeah yeah yeah
