

# Keep Off The Grass

The Jackson 5

Oooh, yeah  
Baby  
Oooh, yeah

She's the one satisfaction guaranteed  
She's the one, she's got everything I need  
So why I don't need a friend like you  
Messing with my baby's mind  
Let me give you some advice  
Or you'll step by the line

You better  
Keep off the grass  
Walk on past, don't look back  
No, no  
Walk on  
Get back!  
You better  
Keep off the grass  
Walk on past, don't look back  
No, no  
Walk on  
Get back!

I know  
You're looking for some properties  
To lay your hands upon  
My girl's not for sale  
So you better move on  
She's mine, she's mine  
She's mine, mine, mine  
Mine, mine

She's the one that swept me of my feet  
She's the one that made my life complete  
You look just like a snake  
With your sneaky face  
When you walked through the door of our life  
Came to the wrong place

You better  
Keep off the grass  
Yeah, yeah  
Walk on past, don't look back  
No, no  
Walk on  
Get back!  
You better  
Keep off the grass (Keep off the grass)  
Walk on past, don't look back  
No, no  
Walk on  
Get back!

I know  
You're looking for some properties  
To lay your hands upon

But my girl's not for sale  
So you better move on  
She's mine, she's mine  
She's mine, mine, mine  
Mine, mine

I wanna tell you she's mine  
I wanna tell you she's mine  
I wanna tell you she's mine  
I wanna tell you she's mine

Mine, mine  
I wanna tell you she's mine  
Mine, mine

I know  
You're looking for some properties  
To lay your hands upon  
But my girl's not for sale  
So brother, move on

Ooh, yeah baby  
Ooh, yeah

You better keep off the grass  
Keep off the grass  
You better keep off the grass  
Keep off the grass  
Yeah, yeah, yeah, yeah  
You better keep off the grass  
Keep off the grass  
You better keep off the grass  
Keep off the grass  
Yeah, yeah, yeah, yeah  
You better  
She's mine  
Keep off the grass  
Oh, mine
