

Uppermost

The Jackson 5

(Uppermost, uppermost)
(Uppermost on my mind)

Why would you accuse me of inconsideration
When every minute and every hour
I'm at your beck and call, ooh

I just can't sleep at night
Until I know that you're alright
And the days, well let's not talk about them at all, ooh

"Cause you're the uppermost on my mind, uppermost on my mind
Don't you know I think about you all of the time
I said, said, said that you're the uppermost on my mind, uppermost on mind
First in every way (Every way)
First baby come of May
You're the uppermost, uppermost, uppermost on my mind

(Uppermost, uppermost)
(On my mind)

Ooh, I guess I'm tired and guilty
Of thinking about myself
But I got to be together baby to take care of you, oh yes I do

And as long as you love me (Lovin' me)
I'm gonna try my best to see (Best to see)
That the moments to myself are very few oh, oh, oh

You're the uppermost on my mind, uppermost on my mind
Don't you know I think about you baby all of the time
Yeah, yeah, yeah you're the uppermost on my mind, uppermost on my mind
First in every way (Every way)
First lovin' me today
You're the uppermost, uppermost, uppermost on my mind yeah, yeah
You're the uppermost on my mind, uppermost on my mind
Don't you know I think about you all the time
