

# Slow Down

The Jam

Well, come on pretty baby, won't you walk with me  
Come on pretty baby, won't you talk with me  
Come on baby, give me one more chance  
Try to save me and our romance slow down

Baby, I'm not movin' away too fast  
You better give me a little love  
Give a little love  
Baby what I love the best

So I used to walk you home  
Baby after school carry your books home too  
And now you got a boyfriend down the street  
Baby what you tryin' to do? You better slow down

Babe, I'm not movin' away too fast  
You better give a little love  
Give a little love  
Baby what I love the best

So your a little lover, tell the way I do  
Come on pretty baby, walk two by two  
I'll let you love me, your so fine child  
The best woman I've ever had slow down

Babe, I'm not movin' away too fast  
You better give a little love  
Give a little love  
Baby what I love the best

Slow down, slow down  
Slow down, slow down baby  
Slow down, slow down
