

## Saw You In A Dream

The Japanese House

I saw you in a dream  
You had stayed the same  
You were beckoning me  
Said that I had changed  
Tried to keep my eyes closed  
I want you so bad  
Then I awoke and it was so sad

Haven't talked to you in months  
And I thought that I might cry  
But I'm not that kind of guy

I saw you in a dream  
You came to me  
You were the sweetest apparition, such a pretty vision  
There was no reason, no explanation  
The perfect hallucination

All good things come to an end  
But I thought that this might last  
But you came and left so fast

And when I'm awake I can't switch off  
It isn't the same but it is enough  
(It isn't the same but it is enough)

I saw you in a dream  
Then it came to an end  
I wonder if you'll come and visit me again  
You take your time to reappear  
I'm starting to believe that when I call your name

You just don't hear me anymore  
And I know that I shouldn't even try  
It's a waste of time

And when I'm awake I can't switch off  
It isn't the same but it is enough  
(It isn't the same but it is enough)

And when I'm awake I can't switch off  
It isn't the same but it is enough  
It isn't the same but it is enough
