## **Stumbling Through The Dark**

The Jayhawks

You're so in love, little girl So much in love, little girl Runnin' around in circles, why? You know it's a crime

No less, no more than a rose No less, no more than a rose Try to attach a meaning To words that you've heard

Stumbling through the dark
Seems I'm stumbling through the dark
Everybody's stumbling through the dark

The men who proceeded us here Left only questions and fears The vanity formed by beauty lies You know it's a crime

Stumbling through the dark
Seems I'm stumbling through the dark
Everybody's stumbling through the dark

Stumbling through the dark
Seems I'm stumbling through the dark
Everybody's stumbling through the dark
