

Coming Round

The Jelly Jam

You fly in I die and you call to me
Southbound and I'm down and lost
In the sea but

I'm coming round
I'm free as a bird
I'm coming down
I'm free as a bird shot down

Over the big rainbow behind the shed
I'll find the lost secret before I'm dead
Yeah

I'm coming round
I'm free as a bird yeah
I'm coming down
I'm free as a bird shot down

Over the big rainbow now I can see
Southbound is my town
And it looks just like me
