

I Am The King

The Jelly Jam

Sleep come to me
Take me where I want to be
And let me stay
Everything is far away

And for a moment it's serene
And for a moment I control it
And I rule myself
'Cause I am the king (of nothing)
I am the king

And dream away everything
That makes me pay
Safe from the world
Of broken love and boy and girl

'Cause no one else is coming after
