

## Mood Rider

The Jesus and Mary Chain

I think I'm gonna be fine  
I got enough stoned food and wine  
I think I'm gonna be fine  
I'm happy all the time

I think like I'll dress like a ship  
I think I'll do it on a trip  
Kill everybody who's hip  
Shoot 'em from the lip

Mood rider  
Hey, mood driver  
Alone

I think I'm turning to dust  
Love is turning to lust  
I think I'm turning to dust  
Only as I must

Mood rider  
Hey, mood driver  
Alone

Ooh, ooh ooh-oooh  
Ooh, ooh ooh-oooh

Ooh, ooh ooh-oooh  
Ooh, ooh ooh-oooh

Ooh, ooh ooh-oooh  
Ooh, ooh ooh-oooh
