

## What If?

The Jesus Lizard

So, as I mentioned  
I've always wondered, what if  
What if the widow was kinda crazy  
What if she told him she was bored  
And wanted to go somewhere else  
What if they'd left, gotten loaded  
And she turned out to be a thief  
A liar  
A murderer  
A psychopath  
I've always wondered  
I've always wondered  
What if  
What if  
What if  
What if  
I've always wondered  
I've always wondered  
I've always wondered  
I've always wondered  
What if  
Done for the day
