

# Somewhere Out There

The Jets

Somewhere out there  
Beneath the pale moonlight  
Someone's thinking of me  
And loving me tonight

Somewhere out there  
Someone's saying a prayer  
That we'll find one another  
In that big somewhere out there

And even though I know  
How very far apart we are  
It helps to think we might be wishing  
On that same bright star

And when the night wind  
Starts to sing a lonesome lullaby  
It helps to think we're sleeping  
Underneath the same big sky

And even though I know  
How very far apart we are  
It helps to think we might be wishing  
On the same bright star

And when the night wind  
Starts to sing a lonesome lullaby  
It helps to think we're sleeping  
Underneath that same big sky

Somewhere out there  
If love can see us through  
(Love can see us through)  
Then we'll be together  
Somewhere out there  
Out where dreams come true
