

Mirror Man

The Jokerr

I'm walkin' a low road
And walkin' it solo
Lost in a fall cloud losin' my way
There's nothin' to say now
I know my way down
'Cause how do you fix what you're refusing to face, refusing to face? (Listen)

You don't know me
It's in my veins and the only way that I know how to go, B
And I won't blame or pretend, it's the same as I been
Couldn't change it to save my life
Yeah, you don't know me
Livin' like a man, lookin' back at me in that mirror is below me
And he's lonely
I'm tryna change, but I'm here wonderin' how long 'til I get it right

The angels above me
Are claiming they love me
And they welcome me, open arms in the air
Oh, oh, but what if [?]
Should they abandon me?
So I run to the darkness 'cause it's always been there, yeah

You don't know me
It's in my veins and the only way that I know how to go, B
And I won't blame or pretend, it's the same as I been
Couldn't change it to save my life
Yeah, you don't know me
Livin' like a man, lookin' back at me in that mirror is below me
And he's lonely
I'm tryna change, but I'm here wonderin' how long 'til I get it right, yeah,
yeah

Yeah, yah, yeah
Yeah, yah, yeah
Yeah, yah, yah
Woah, yeah
Yeah, yah, yeah, yeah
Yeah, yah, yeah
Yeah, yah, yah

There was a past time
I cried for the last time
And never again did my tears come
So don't get close to me
Or hold out hope for me
The reasons are plentiful
Here's one

You don't know me
It's in my veins and the only way that I know how to go, B
And I won't blame or pretend, it's the same as I been
Couldn't change it to save my life
Yeah, you don't know me
Livin' like a man, lookin' back at me in that mirror is below me
And he's lonely

I'm tryna change, but I'm here wonderin' how long 'til I get it right, yeah,
yeah

Yeah, yah, yeah
Yeah, yah, yeah
Yeah, yah, yeah
Woah, yeah
Yeah, yah, yeah, yeah
Yeah, yah, yeah
Yeah, yah, yeah, yeah, yeah
Yeah, yah, yeah
Yeah, yah, yeah
Yeah, yah, yeah
Yeah, yah, yeah
Woah, yeah
Yeah, yah, yeah, yeah
Yeah, yah, yeah
Yeah, yah, yeah
