Inside Your Head

The Jompson Brothers

I wanna know what's goin' on inside your head
When you hold me in your arms
And you're lookin' in my eyes
I wanna know what's goin' on inside your bed
When you know I'm not around
And you're living out your lies

I should leave you, I know
I should hate you, but I don't

I wanna know what's goin' on inside your head
Are you thinkin' about him
When your clothes are on my floor?
I desperately want to believe the words you said
And knowin' that I can't
Make me want you that much more

I should leave you, I know
I should hate you, but I don't

I should leave you, I know
I should hate you, but I don't

I wanna know what's goin' on inside your head
When you hold me in your arms
And you're lookin' in my eyes
