

Motor Runnin'

The Jompson Brothers

You're a queen
I'm a saint
I'm a man
Well complete
Girl you want
What I got
Fire it up
Burnin' hot

What I'm trying to say
Hey what I'm trying to say, is get my motor runnin'
Get my motor runnin'
Get my motor runnin'
I wanna run all over you

There ain't no
Movin' slow
Yeah the show's
On the road
Let go of me
Stay behind
There's just show
Rock and roll

What I'm trying to say
Hey what I'm trying to say, is get my motor runnin'
Get my motor runnin'
Get my motor runnin'
I wanna run all over you

(Get my motor runnin'
Get my motor runnin'
Get my motor runnin'
I wanna run all over you)
Get my motor runnin'
Get my motor runnin'
Get my motor runnin'
I wanna run all over you
