Rock Bottom

The Judds

When you hit rock bottom
You've got two ways to go
Straight up
And sideways
I have seen my share of hard times
And I letting you know
Straight up
Is my way

Things are tough all over
But I've got good news
When you get down to nothing
You've got nothing to lose
I was born naked
But I glory bound
And a dead end street
Is just a place to turn around

When the sky is the limit
Up on easy street
Rock bottom
Ain't no place to be
Rock bottom
Ain't no place for me

When the law of the jungle
Is the law of the land
Good luck
Stayin alive
I keep a clinched fist under
This hat in my hand
Cause only the strong survive

Things are tough all over
But I've got good news
When you get down to nothin
