

# Treat You Right

## The Jungle Giants

Hey boy  
I'm watching you from across the dancefloor  
I just wanted to know  
What kind of guy are you?

Well, I'm a lover, girl, I want you to know  
Well, I will treat you right  
I got your number, babe, and even though I know  
This love is just beginning, please

Lay me down (oh, baby, please stay)  
Hold me tight (oh, baby, won't you stay)  
Stay with me

I'm gonna treat you right  
You wanna dance all night  
Well, then baby alright, as you like  
Oh boy, you're gonna treat me right  
You catch that early flight  
Stay up all night, na-na-night

Aha, okay girl, you heard me right  
So lover, you can't be wrong  
And we can get up baby night after night  
Even though it won't be long

Lay me down (oh, baby, please stay)  
Hold me tight (oh, baby, won't you stay)  
Stay with me  
Hey boy, what you gonna do with all that love of yours?

I'm gonna treat you right  
You wanna dance all night  
Well, then baby alright, as you like  
Oh boy, you're gonna treat me right  
You catch that early flight  
Stay up all night, na-na-night

Oh, I'll treat you right  
Up all night  
Treat you, treat you right  
Oh baby

(Oh boy, you're gonna treat me right)  
I'm gonna treat you right  
(Catch that early flight)  
You wanna dance all night  
(Stay up all night)  
Well, then baby alright, as you like
