

# When I'm with You

The Katinas

All we really need is just you and me  
Ooh  
Ooh  
In this grey big world  
We all live in  
All together we  
Can make,  
Make it better  
If we believe in our hopes and dreams  
Tomorrow will be better for you and me  
This is love  
This is life  
When I'm with you  
In this crazy world  
We all breath in  
Look around and see  
What we can do  
We can be the hope of tomorrow's dreams  
And be the change that we wanna see  
This is love  
This is life  
When I'm with you  
When the world keeps spinning  
And the sun keeps shining  
All we really need is just you and me

Keep on dreaming  
Keep on living  
All it's gonna take is just you and me  
When the world keeps spinning  
And the sun keeps shining  
All we really need is just you and me  
Keep on dreaming  
Keep on living  
All it's gonna take is just you and me  
This is love  
This is life  
All we really need is just you and me  
This is love  
This is life  
All it's gonna take is just you and me  
This is love  
This is life  
(When I'm with you)  
Oh oh oh oh oh  
(When I'm with you)  
Oh oh oh oh oh oh  
When I'm with you
