

Private Part

The Kentucky Headhunters

You might hold my hand
And tell me I'm your man
You look in my eyes
And tell me lies
'Cause you think I don't understand
Oh, no - You think I don't understand
Other girls think it's a sin
The way you chase all their men
Yeah, you got a plan
To break every man
But, it won't work on me

'Cause I'll never show you my private part
You'll never get close to my heart
You can use your charm
Even twist my arm
But you'll never get close to my heart
Oh no, you'll never get close to my heart

One day, you'll find yourself all alone
You'll wonder why the boys don't call, it's been so long
You'll wonder what went wrong
Meanwhile across town, they're learning to love again

It's one thing to flirt
Another when someone hurts
We ain't like cars
We ain't that hard
I ain't gonna' lose my shirt
Oh no, I ain't gonna' lose my shirt

'Cause I'll never show you my private part
You'll never get close to my heart
You can use your charm
Even twist my arm
But you'll never get close to my heart
Oh no, you'll never get close to my heart
