

# C'est La Vie

The Killers

There's dignity in calloused hands  
The tools you have are not for sale  
Well, sometimes, you're the hammer  
And sometimes, you're the nail  
It's not about how you get lost  
It's what you do to find the trail  
Well, sometimes, you're Ahab  
And sometimes, you're the whale

Do-do-do-bah  
Do-do-do-bah  
Do-do-do-bah  
Oh-na-na-na

When frogs are fallin' from the sky  
Just take responsibility  
Well, sometimes, you're the prisoner  
And sometimes, you're the free  
Just let your conscience be your guide  
When heartbreak hits you, c'est la vie  
Well, sometimes, you're the Shih Tzu  
And sometimes, you're the tree

Do-do-do-bah  
Do-do-do-bah, that's right  
Do-do-do-bah  
Oh-na-na-na

Sometimes you're the river  
And sometimes you're the sea  
Sometimes you're a stranger to yourself  
It's a dangerous place to be  
But you'll be fine  
Just remember where you come from  
How you got the song  
Then you'll always get it right, more than you get it wrong  
We're with you in the middle  
We're right down to the bone

Do-do-do, do-do  
Ah-ah-ah  
Do-do-do, do-do  
Do-do-do, do-do  
Do-do-do, do-do  
Oh

Do-do-do-bah (C'est la vie)  
Do-do-do-bah  
Do-do-do-bah  
Oh-na-na-na  
Do-do-do-bah  
Do-do-do-bah  
Do-do-do-bah  
Oh-na-na-na  
Oh-na-na-na
