

Spaceship Adventure

The Killers

Come with us
On a spaceship adventure
Flying through the galaxy
We'll travel far to see sparkling beauty
See the moon and see the stars
There's a planet so very far from home

On a spaceship

Spaceship adventure

Come with us
On a spaceship adventure
Flying through the galaxy
We'll travel far to see sparkling beauty
See the comets and shooting stars
Solar system so very far from home

Flying at the speed of light
Passing through the constellations
Time turn around and head back to Earth now
We can't wait to come back again
Come back again
