

# Cheap and Cheerful

The Kills

I'm bored of cheap and cheerful  
I want expensive sadness  
Hospital bills, parole  
Open doors to madness

I want you to be crazy  
cause you're boring baby  
when you're straight  
I want you to be crazy  
cause you're stupid baby  
when you're sane

I'm sick of social graces  
Show you shark-tipped teeth  
Lose your cool in public  
Dig that legal meet  
Cause love is just a dialogue  
You can't survive on ice-cream  
You got the same needs as a dog

It's alright (it's alright)  
To be mean (to be mean)  
It's alright (it's alright)  
To be mean (to be mean)

I want you to be crazy  
cause you're boring baby  
when you're straight  
I want you to be crazy  
cause you're stupid baby  
when you're sane

It's alright (it's alright)  
To be mean (to be mean)  
It's alright (it's alright)  
To be mean (to be mean)  
(2x)

I want you to be crazy  
cause you're boring baby  
when you're straight  
I want you to be crazy  
cause you're stupid baby  
when you're sane  
(2x)
