The Kills

Desperado

Sitting in an old Monte Carlo  
A man whose heart is hollow  
Uh huh, take it easy  
I'm not tryna go against you  
Actually, I'm going with you

Gotta get up out of here  
And you ain't leaving me behind  
I know you won't, cause we share common interests  
You need me, there don't leave me behind  
Never, no, no, just want out of here  
Yeah, and there ain't no going back

If you want we could be runaways  
Running from any sight of love  
Yeah, yeah, there ain't nothing  
There ain't nothing here for me  
There ain't nothing here for me anymore  
But I don't wanna be alone

Desperado

Sitting in an old Monte Carlo  
We've both had our hearts broke, uh huh  
Take it easy  
I'm not trying to go against you  
I can be a lone wolf with ya

Gotta get up out of here  
And you ain't leaving me behind  
I know you won't, cause we share common interests  
You need me, there don't leave me behind  
Never, no, no, just want out of here  
Yeah, and there ain't no going back

If you want, we could be runaways  
Running from any sight of love  
Yeah, yeah, there ain't nothing  
There ain't nothing here for me  
There ain't nothing here for me anymore  
I don't wanna be alone

Dear desperado

Dear desperado

If you want, we could be runaways  
Running from any sight of love  
Yeah, yeah, there ain't nothing  
There ain't nothing here for me  
There ain't nothing here for me anymore  
I don't wanna be alone
