

# Kiss The Wrong Side

The Kills

So kiss what you give me  
So pretty  
So kiss what you give me  
I'm not mine  
You give me news  
Unless the now  
You give me news  
Of yourself

So kiss what you give me  
Come and cure me  
So kiss what you give me  
I'm not nice  
You give me news  
To keep me feeling  
Give me news  
To keep me sweet and

Kiss the wrong side  
Kiss the wrong side

So kiss what you give me  
So pretty  
So kiss what you give me  
I'm really mine  
You give me news  
To keep me from feeling  
Give me news  
To keep me sweet and

Kiss the wrong side  
Kiss the wrong side

Kiss the wrong side
