

London Hates You

The Kills

London hates you
Paris hates you
New York hates you
L.A. hates you
Detroit hates you
Moscow hates you
Rio hates you
Georgia hates you

But they love it when you muscle on
Yeah they love to see you muscle on

Berlin hates you
Seven sisters hates you
Brooklyn hates you
London hates you

And they make you stand still like a hummingbird, sing like a hummingbird, stand still like a hummingbird.
