The Kills

You got this started off
You wound it up
Like a fat gold watch
Like a last ditched fuck
You dialed it up
Don't act like you forgot

That high on life shit
That doin' alright shit
I'm on fire shit
But I don't buy it
I don't buy it
It's choose a side, kid
It's do or die, kid

But it's not our time
It's not our time
It's not our time
It's not our time
It's not our time

You're VIP in the hall of fame
I'm RIP on the walk of shame
That's just the way
That's just the way
Don't act like it's the same

Like time will jump up
And ride again
But time don't work that way
Time moves way too slow
For that kind of blame
I'm sorry to say
It drops you like you're dropping names
And I must admit
I must've dropped yours down the drain
Remind me again
Remind me again

It's not our time
It's not our time
