

I Will Always Love You

The King's Singers

I will always love you

If I should stay
I would only be in your way
So I'll go, but I know
I'll think of you every step of the way

Chorus:

And I will always love you
I, will always love you
You, my darling you, you

Bitter sweet memories
That is all I'm taking with me
So goodbye, please don't cry
We both know I'm not what you need

Chorus

I hope life treats you kind
And I hope you have all you dreamed of
And I wish to you joy and happiness
But above all this I wish to you love

Chorus
