

## Folksinger's Song

The Kingston Trio

Well, how many beans could Woody have picked when he was always  
writing songs?  
You believe that story about hard travelin', well, I can tell you  
right now you're wrong!  
You see the only thing Woody picked was his guitar.  
He had a very close friend writing words in the car.  
How many beans could Woody have picked when he was always writing  
songs?

How many jail songs could Allen write? He ain't never been in jail!  
The only thing that Allen knows about jail is who to go his bail!  
He had a thing going with a prison guard.  
He had a tape recorder hooked up in the prison yard.  
How many jail songs could Allen write? He ain't never been in jail!

Now who was it that got that blues singer out of jail and got him  
singin' and playin'  
And whose idea was it for him to start singin'  
So you couldn't understand what he was sayin'  
And who led them blind folksingers around? Well, you can take it  
from me.  
Ain't nobody led them blind cats around 'cause they can really  
see!  
Yeah, they can really see!
