

# Hit And Run

The Kingston Trio

I was lookin' at the sun  
Pardon me, I didn't know it can't be done  
I was lookin' at the sun  
I was lookin' at the sun

I was callin' back my youth  
Pardon me, did you want to use the booth?  
I was callin' back my youth  
I was callin' back my youth

I don't listen to the fools  
That are makin' up the rules  
I'm a-havin' too much fun  
Doin' what I wanta, hit and run  
Doin' what I wanta, hit and run  
Hit and run. Hit and run. Hit and run

So my world is made of paint  
Pardon me, I didn't know that you're a saint  
So my world is made of paint  
So my world is made of paint

You are lookin' for the truth  
Pardon me, I think your poodles on the roof  
You are lookin' for the truth  
You are lookin' for the truth

I don't listen to the fools  
That are makin' up the rules  
I'm a-havin' too much fun  
Doin' what I wanta, hit and run  
Doin' what I wanta, hit and run  
Hit and run. Hit and run. Hit and run

I may never be that good  
Pardon me, I never said I ever would  
I may never be that good  
I may never be that good

I was lookin' at the sun  
Pardon me, I didn't know it can't be done  
I was lookin' at the sun  
I was lookin' at the sun  
I was lookin' at the sun

I don't listen to the fools  
That are makin' up the rules  
I'm a-havin' too much fun  
Doin' what I wanta, hit and run  
Doin' what I wanta, hit and run  
Hit and run. Hit and run. Hit and run  
Hit and run. Hit and run
