

Interchangeable Love (We Love Us)

The Kingston Trio

You love me for lovin' you
You are you because I do
I love you for lovin' me
And I am me because you do
So much with us in love are we
I could be you and you could be me

You kiss me for kissin' you
You are you because I do
I kiss you for kissin' me
And I am me because you do
So much in love with us are we
You kiss you and I kiss me
