

Leave My Woman Alone

The Kingston Trio

If you don't want, you don't have to get in trouble
If you don't want, you don't have to get in trouble
Say, you'd better leave my woman alone

Well, I know you are a playboy
And you've got women all over town
Well, listen, buddy
If you ever sweet talk my little girl
I'm gonna lay your body down

Well, I know you've got your money
And you've got a new fifty six, too
But if I ever see my little girl in your new car
I'm gonna do some work on you

Well, I don't believe in trouble
So I don't want to start a fight
So, if you take heed and stay away from my little girl
Well, everything will be all right
