

# Longest Beer Of The Night

The Kingston Trio

This is the longest beer of the night  
and in the East I think I see some light,  
And pretty soon I know the sun will shine  
and I know a bar that opens promptly at nine:at nine.

I guess two six-packs wasn't enough  
'cause right about now the goin' really gets rough  
And some early bird is happy callin' his mate  
and I wish I knew a bar that opened promptly at eight.

Maybe I was just a fool thinkin'  
I could drown you outa my mind but the longest part of the day  
is just before nine:before nine.

I can see the dew that's settlin' onto the ground  
and if I'm not careful your mem'ry's gonna come 'round  
And that's the reason I just gotta stay tight,  
so I'm just nursin' the longest beer of the night.  
Yeah, I'm nursin' the longest beer of the night.
