

Attitude

The Kinks

You go down the pub
You wear make up
And old dads trousers
Why don't you tidy up
You talk like a docker but you act like a queer
You drink champagne then complain it's too dear
You try so hard not to follow any trends
Then you cry in your beer and say you've got no friends
But is it any wonder that you've got no friends
But it's not the make up
Or the way you dress
It's not your appearance, that they all detest
It's not your manners, that you gotta improve
Oooooo-it's your attitude.

Attitude, Oo Oo Oo
Your attitude
Attitude, Oo Oo Oo
Your attitude

Take off your head phones
Hear what's going on
You can't live in a time zone
You've gotta move on
But before you get there
There's one thing you've gotta do
Oh change your attitude
It's your attitude
It's your attitude

Attitude, Oo Oo Oo
Your attitude
Attitude, Oo Oo Oo
Your attitude

The '80s are here, I know cuz I'm staring right at them
But you're still waiting for 1960 to happen

You might have the illness, but you've got the cure
You've got the answer, you will endure
You're the only person that's gonna pull you through
Ooh, with your attitude

Attitude, Oo Oo Oo
Your attitude
Attitude, Oo Oo Oo
Your attitude

You gotta learn to be positive, it's your only chance
You mustn't be so defensive, you gotta join in the dance
But it isn't your dancing that you've gotta improve
Ooh, it's your attitude.

Attitude, Oo Oo Oo
Your attitude
Attitude, Oo Oo Oo
Your attitude

It's all the music
It's all in your brain
You've used all the old licks
Now it's all gotta change.
Change your attitude
It's your attitude
