

Got Love If You Want It

The Kinks

Got love if you want, babe
Got love if you want, babe
I got love if you want it
I got love if you want it
I got love if you want it
You don't ask all the while
You don't ask all the while

I love you little woman
I love you little woman
The way your hair hang down
The way your hair hang down
But you mistreating baby, yeah
You been a long town
You been a long town

Got love if you want, babe
Got love if you want, babe
I got love if you want it
I got love if you want it
I got love if you want it
You don't ask all the while
You don't ask all the while

All right boys, let's roll!

Got love if you want, babe
Got love if you want, babe
I got love if you want it
I got love if you want it
I got love if you want it
You don't ask all the while
You don't ask all the while

I love you little woman
I love you little woman
The way your hair hang down
The way your hair hang down
But you mistreating baby, yeah
You been a long town
You been a long town

All right boys, let's roll!

I love you little woman
I love you little woman
The way your hair hang down
The way your hair hang down
But you mistreating baby, yeah
You been a long town
You been a long town
You been a long town
