

## I'm Crying

The Kinks

Are you loving him just the way,  
That I loved you when you walked away?  
Whoa, I'm crying, crying.

Do you need him just the way,  
That I needed you when you left that day?  
Whoa, I'm crying, crying.  
Crying, crying.

Do you think that he's so glad[?],  
Do you think he loves you so?  
Do you think that he'd be mad,  
If you never come on home?

I'm crying, crying, crying.

Now my days are spent in sin[?],  
Now that you are loving him.  
Whoa, I'm crying, crying.

If you suddenly realize,  
That he's not the one to spend your life with,  
Whoa, I'm crying, crying.  
Crying, crying.
