The Kinks

Pressure pressure I got pressure, oh yeah, oh yeah, oh yeah  
Pressure pressure I got pressure, oh yeah

I don't really want to give it to you  
'Cos it's really contagious  
You can pick it up anywhere  
And it can be quite dangerous  
You can spread it mouth to mouth  
You can even get it when you're alone  
But I can always live with it  
Whenever I am close to you

Pressure pressure I got pressure, oh yeah, oh yeah, oh yeah  
Pressure pressure I got pressure

I get it driving in my motor car  
I get it when I'm drinking in a bar  
I get it riding on the subway  
I get it regular every day  
And anyone who never had it yet  
And doesn't know what I'm going through  
But I forget the pressure  
When I am close to you

Altogether now-Oh yeah, oh yeah, oh yeah  
Oh yeah, oh yeah, oh yeah  
Pressure pressure I got pressure Oh yeah. oh yeah. oh yeah  
Pressure pressure FEEL THE PRESSURE

You got the pressure and that's a fact  
I can tell by the way you act  
And I can tell that you're pressurised  
By the look that's in your eyes  
I know the pressure 'cos I've got it too  
So I know what you're going through  
But I forget the pressure  
Whenever I am close to you
