

# Crazy Love

The Kinleys

Raindrops fallin' on my head  
Got moonrocks underneath my bed  
And blue socks in the trunk of my car  
Hey, yeah

I can't think, what's the word  
I'm thinkin' of straight, I think I got a love ache  
Floatin' 'round here in my heart  
Hey, yeah

Your blue eyes make me dizzy  
And my feet can't find the ground

Hey, yeah, what is this feelin'??  
Am I? Am I dreamin'??  
Hey, yeah, I'm all tangled up in this crazy love  
Oh, and sometimes

When I'm with you, I close my eyes  
And it feels like I'm fallin'  
Fallin' into this crazy, this crazy love  
Oh, this crazy love

French fries and candy covered kisses  
Sleigh rides, cinnamon and Christmas  
You fill all my senses, yeah, you do  
(Oh, yeah, you, do)  
You're like a ferris wheel at night under a starry sky

Hey, yeah, what is this feelin'??  
Am I? Am I dreamin'??  
Hey, yeah, I'm all tangled up in this crazy love  
Oh, and sometimes

When I'm with you, I close my eyes  
And it feels like I'm fallin'  
Fallin' into this crazy, this crazy love  
Oh, this crazy love

Oh, and I take each breath in  
And I feel like I'm alive  
Oh, I'm all wrapped up in  
All your lovin'

Oh, this crazy love  
Oh, this crazy love, yeah

Sometimes when I'm with you, I close my eyes  
And it feels like I'm fallin'  
Fallin' into this crazy, this crazy love  
Oh, this crazy love

I got raindrops fallin' on my head  
I got moonrocks underneath my bed  
Crazy love
