

A New Day

The Kite String Tangle

Today is a new day
Where there's nothing left to say
No need for us to get away
No reason to escape

Today is an ember
A burning fire that lasts forever
A fire that's kept alive however
We'll still be here each December

It's a new day
It's a new day
It's a new day
It's a new day

Now we face each other
A clash of vibrant colour
That we took from one another
Today is just another

Today is a new day
A flash of energy unfurled
A cross upon the calendar
A map to the edge of the world

It's a new day
It's a new day
It's a new day
It's a new day
