

Given the Chance

The Kite String Tangle

One look and you can take me down
But I know that you'd be up for it
I know that you'd be up for it
Despite my stare
Given the chance I'd go for it

One step at a time
One step at a time

Girl you know I like you (Oh oh oh)
Girl you know I like you (Oh oh oh)
Girl you make me crazy (Oh oh oh)
Girl you make me crazy (Oh oh oh)

You hide your battle scars when I'm around
The blurry lines go on forever
So give me a chance, oh
I know that you'd be up for it

One step at a time
One step at a time Oh

Girl you know I like you (Oh oh oh)
Girl you know I like you (Oh oh oh)
Girl you make me crazy (Oh oh oh)
Girl you make me crazy (Oh oh oh)

But I know that you'd be up for it
I know that you'd be up for it
But I know that you'd be up for it
I know that you'd be up for it
But I know that you'd be up for it
I know that you'd be up for it

Girl you know I like you (Oh oh oh)
Girl you know I like you (Oh oh oh)
Girl you make me crazy (Oh oh oh)
Girl you make me crazy (Oh oh oh)
Girl you know I like you (Oh oh oh)
Girl you know I like you (Oh oh oh)
Girl you make me crazy (Oh oh oh)
Girl you make me crazy (Oh oh oh)
