

Love Is All There Is

The Knack

you've been hurt once maybe twice i can see that light start to
dim in your eyes so get wise it's not easy this is true but yo
u simply must believe in what i'm saying to you if you do you c
an believe in it too you can believe that it's so and you'll kn
ow

love is all there is love is all love is all there is i'm here
to catch you when you fall

come with me girl don't be shy you can find a lot of fun betwee
n hello and goodbye if you try now you're free girl lucky too b
ut you simply must believe that what i'm saying is true if you
do you can believe in it too you can believe that it's so and y
ou'll know

love is all there is love is all love is all there is i'm here
to catch you when you fall

love can slip away and sometimes love'll let you down if you br
ush away the bad times love will turn around

if you do you can believe in it too you can believe that it's s
o and you'll know

love is all there is love is all love is all there is i'm here
to catch you when you fall

love is all there is love is all love is all there is i'm here
to catch you i'm here to catch you when you fall

love is all there is
