

(She's So) Selfish

The Knack

Baby gonna shut you down
She got a funny little face
But her body don't quit
An-an-and every time she come around
She give a wiggle and a wink
But she don't give a shit about
Anybody else but herself
No she doesn't care for nobody else
It's just me me me me
She's so selfish

Everybody plays her game
She got the style and the class
And she get what she wants
Yeah and everybody knows her name
She got the smile and the ass
And the power to flaunt
'cause she's really in it just for herself
No she doesn't care for nobody else
It's just me me me me
She's so selfish

And she say
Gimme gimme gimme gimme
Gimme gimme gimme gimme
Gimme gimme gimme gimme
Gimme gimme gimme gimme please
Oh won't you give it to me please please please baby
Day after day after day
After night after night after night
You've been giving her what she wants
Is she giving you what you need
No way

When she takes you by the short hairs
It's the only thing she'll leave you down there
No fuck-a me fuck-a me today
No fuck-a me fuck-a me today
She's the prima donna queen
C-c-coming from the quaalude scene
No fuck-a me fuck-a me today
No fuck-a me fuck-a me today
Hey what do you say

She's been working in the clothing trade
She's a rich little bitch
And she's thinking she's cool
When she tells you that she's got it made
She make you weak in the knees
Like a love sick fool
Yes you said she made your motor run
Now you know she'll never give you none
It's just me me me me
She's so selfish

I think you know this girl
I know you do

Ouch
I don't want much uh uh
I don't wanna be her boyfriend forever
I just wanna touch
