

Bang Bang

The Knocks

Wanna get reckless? I'm your desperado
Sin in this city like a Tarantino
Bang-bang, gonna get it fired up
Bang-bang, gonna get it fired up

They say I'm different, they ain't misunderstood
Yeah, I'm an alien in Hollywood
Bang-bang, gonna get it fired up
Bang-bang, gonna get it fired up
Oopsie-daisy, gonna twist you like a freak
Shake it up, make you my apple blossom dream
Bang-bang, gonna get it fired up
Bang-bang, gonna get it fired up

Oh, ain't no crime
If I blow your mind

Gonna get it fired up
Gonna get it fired up, fired up, fired up

Wanna get reckless? I'm your desperado
Sin in this city like a Tarantino
Bang-bang, gonna get it fired up
Bang-bang, gonna get it fired up

They say I'm different, they ain't misunderstood
Yeah, I'm an alien in Hollywood
Bang-bang, gonna get it fired up
Bang-bang, gonna get it fired up

Oh, ain't no crime
If I blow your mind
Bang-bang, gonna get it fired up
Bang-bang, gonna get it fired up
Bang-bang, gonna get it fired up
Bang-bang, gonna get it fired up, fired up

Gonna get it fired up
Gonna get it fired up
