The Knocks

Pull up to the parkin' lot  
Boombox inside of my car  
Ooh, you need to toughen up  
Whole place jumpin' right now  
Pull up to the parkin' lot  
Boombox inside of my car  
Ooh, you need to toughen up  
Whole place jumpin' right now  
Pull up to the parkin' lot  
Boombox inside of my car  
Ooh, you need to toughen up  
Whole place jumpin' right now  
Pull up to the parkin' lot  
Boombox inside of my car  
Ooh, you need to toughen up  
Whole place jumpin' right now

You gotta free your mind  
You gotta take your time  
Pushin' it overtime  
You've gotta free your mind  
You've gotta set the fire  
Ooh, like it's dynamite  
Pushin' it overtime  
You've gotta free your mind

Pull up to the parkin' lot  
Boombox inside of my car  
Ooh, you need to toughen up  
Whole place jumpin' right now  
Pull up to the parkin' lot  
Boombox inside of my car  
Ooh, you need to toughen up  
Whole place jumpin' right now

You gotta free your mind  
You gotta take your time  
Pushin' it overtime  
You've gotta free your mind  
You've gotta set the fire  
Ooh, like it's dynamite  
Pushin' it overtime  
You've gotta free your mind, ooh

Whole place jumpin' right now

Pull up to the parkin' lot  
Boombox inside of my car  
Ooh, you need to toughen up  
Whole place jumpin' right now
